Cholera in Michigan. framed upon the following extract from Dr. F. D. Larke, of Rogers City, Mich. says the epidemic of last year in Presque Isle county, in which so many persons lost "I would suggest to congress the necessity of readjusting the tariff so as to increase the revenue and at the same time decrease the number of articles upon which duties are levied. Those articles which enter into our manufactures and are not produced at home, it seems to me, should be entered free. Those articles of manufacture which we produce a constituent part of but do not produce the whole, that part which we do not produce should enter free also. I will instance fine wool, dyes, etc. These articles must be imported to form a part of the manufacture of the higher grades of woolen goods. Chemicals used as dyes, compounded in medicines and used in various ways in manufacture, come under this head. The introduction free of duty of such wools as we do not produce would stimulate the manufacture of goods requiring the use of those we do not produce and therefore would be a heafit. their lives, was choleric dysentery instead

Economy and strength are peculiar HOME TESTIMONY

THE republicans have set the precedent in this state of drawing party lines in the selection of the judiciary. There was no indication in the county convention of Saturday of a desire to unite with the democrats in selecting a candidate of the city council and representatives of the Consolidated Water.

The republicans have set the precedent in this state of drawing party lines in the selection of the judiciary. There was no indication in the county convention of Saturday of a desire to unite with the democrats in selecting a candidate for judge for the district court irrespective of party. A person may be a selecting a candidate of the consolidated water.

Helena, Oct. 7, 1887.

I was suffering from an unusually bad cough, my lungs were sore and congested, and I consulted one of the best physicians in Helena, whose prescriptions falled to relieve me. I became alarmed, and at the suggestion of a friend purchased a bottle of Acker's English Remedy for coughs, and after taking it according to directions was completely cured. I therefore cheerfully recommend it.

JACOB SWITZER.

There was a terrible epidemic of dysen-tery and bloody flux in Pope county, II the judiciary above mere party politics.
